LEARNER TAKE-HOME SHEET: RESURRECTION

1 Corinthians 15

Take this sheet home and keep it someplace near the dinner table like on the fridge. At least three times next week at dinner, use Prayer Time and one other family activity to make your confirmation learning come alive!

KEY WORDS

Keep a family white board someplace near the dinner table, and write these words on it. Try writing a family definition for each one during the week.

VICTORY

RESURRECTION

PRAYER TIME

Light a candle. Name aloud relatives and friends who have died. Say this prayer:

Thanks be to God that we still sense the presence of our loved ones in our lives. God, unite us in your Spirit now and bring us together again one day. Amen

TALK TIME

- Commit to working together for an hour on gardening—outdoors, indoors, for someone else, in a community garden. Nurture the new life and imagine how a seed becomes a plant.
- The Easter message is seen on the face of a fully alive human being. At home we get to see each other at all times. Tell family members when you see them looking the most happy, content, friendly, and grumpy.
- Because of Jesus' resurrection, we can hope beyond hope. What does our family hope for the world, for our schools, for God's creation, for our family? Write your hopes on a calendar today and look back on them in a month or a year.

WEB TIME

Use an Internet search engine to search for the key words listed on this page. Note the most interesting site you find for each term. See what you can find about Easter traditions in other cultures. Did you find anything that you might like to try next Easter?

RITUAL TIME

Baking demonstrates the chemistry of resurrection. What better reason to bake a cake and watch it rise? Eat it in gratitude for Christian miracles that can be best demonstrated in the kitchen. Make baking or cooking together a practice that the whole family does once a month. Is there someone with whom you could share the fruits of your labor?
