Up to
32-inches

Installer Work Time: 1 to 2 hours

Our installation professionals will:

- ✓ Unpack your TV and components
- ✓ Secure the customer-supplied (or factory included, if applicable) mounting bracket under cabinet or to a standard frame wall. Alpine can help you special order the right mount for your needs.
- ✓ Mount and safely secure a flat-panel TV with up to a 32" screen size
- ✓ Connect the TV power cord to an existing AC power outlet (by surface mounting only)
- ✓ Properly connect up to 2 video components to your TV with your pre-purchased cables:
 - Cable/satellite box, BluRay/DVD player, gaming system
 - Additional components \$25 each.
- ✓ Connect the customer's newly purchased TV within the room to a single source such as an existing cable, antenna or satellite signal
- ✓ Clean-up of your installation:
At your request, the HDTV installer will remove all debris created by the installation.
- ✓ Make sure all of your components are working properly
- ✓ TV Installation professional installer will confirm with you that you're totally satisfied with your HDTV Installation and that you know how to manage your HDTV.

Note: Time spent by installer not to exceed 2 hours. No wires, cables or any other hardware is included with the HDTV Installation service.

Disclaimers: Electric cords cannot be run in-wall. Customer must supply mount and arrange for electrical outlets to be moved
